**News for Immediate Release**

**Feb. 10, 2010**

**Conewago Township (Dauphin County)**

Blizzard Conditions Impacting Majority of Conewago Township roads.

With blizzard conditions causing impassible road conditions, Conewago Township Board of Supervisors closed Conewago Township roads beginning at 4:30 PM on February 10 and continuing until further notice.

Due to hazardous weather conditions in much of the township, the Township Board of Supervisors said it is too dangerous for any motorist to be driving.

It is important that people only call 911 in an emergency. Do not call for any other reason.

The Pennsylvania Emergency Management Agency reminds you that downloadable materials, including home and car emergency kit checklists and emergency plan templates, are available at [www.ReadyPA.org](http://www.ReadyPA.org) or by calling 1-888-9-READYPA.
